

**The 23rd International Workshop
on Business Incubation
(IBI Workshop)**

Year 2020 starts itself with brutal challenges as COVID-19 breaks our life into pieces. How incubators keep giving out hands to start-ups as well as achieving their own goals in such post-black swan era? With all questions and concerns you may have in terms of the incubation business, we' re glad to invite you to join our 23rd International Workshop on Business Incubation to explore with us and to find a way out of the fog.

**This is also the first time for IBI going online,
stay tuned!**

About IBI **International Workshop on Business Incubation**

IBI workshop is sponsored by Shanghai Technology Innovation Center and Shanghai IBI Network (accredited by Torch High Technology Industry Development Center, Ministry of Science of China). IBI workshop is designed for business managers, entrepreneurs, governmental officials and other incubation business.

Since its initiation in 1998, IBI workshop has attracted over 500 participants from 30 countries and regions and has been one of the major training programs of AABI(Asian Association of Business Incubation). The workshop sponsors & organizers work closely with innovation actives around the world to deliver the knowledge and experiences on start-up accelerating business.

About Sponsor
